## **Some sensible fishing rules:**

- Be sure to demonstrate good sea sense
- Respect the weather and the weather reports and follow the advice given
- Do not drink and drive at sea. Drinking and boating don't mix
- Protect the environment
- Take responsibility for fishery resources
- Act responsibly when boating near fish farms
- Respect commercial fishermen and act responsibly in areas where commercial fishing occurs
- Follow the guidelines provided by the boat hire company
- You are always responsible for your own safety
- Use a life jacket
